At Camp Mishpacha, your child will enjoy outdoor games, water play, nature activities, gardening, mud kitchen and much more in our beautiful outdoor setting. For many years, Camp Mishpacha has provided children a unique opportunity to nurture friendships that will last a lifetime. In fact, many of our college and high school aged staff were campers themselves! Our spirited and energetic staff will help your child to have the best summer.

- Planting & harvesting in the Gan garden
- Creating and getting messy in our mud kitchen
- Sensory & art activities
- Innovative, instructive educational themed weeks
- A focus on social emotional development
- Creating and maintaining the camp fairy garden
- Special Shabbat programming
- Summer birthday celebrations
- 4th of July parade

With our outdoor tent park and exciting flag pole circle, we are able to have fun in so many ways! Camp provides lots of opportunities for children to develop social skills, learn Jewish prayers and customs, participate in a myriad of diverse projects and more! Arts and crafts, singing and stories, dramatic play, water play adventures, nature and special summer events will keep us busy this summer. We'll be emphasizing teamwork and sportsmanship as campers work on their motor skills during our sports activities.

Camp Mishpacha has a beautiful garden! All of our campers will be helping tend to our garden. Our budding farmers will plant seeds, weed the garden, water young sprouts and eat the bountiful produce! Whatever vegetables we are not able to eat are donated to a local food shelf.

Camp Mishpacha Sessions

Aleph Session: - Monday, June 3 - Friday, June 14 (No camp June 12 & 13)

All About Nature! The first week of camp is always exciting! It includes nature walks, hands-on activities fueling creativity and curiosity, and immersive learning about the natural world.

Ooey Gooley! Who doesn't like to get messy? Especially when a parent doesn't have to clean it up! Messy play is important for young children, giving them endless ways to develop and learn. Shaving cream, sand foam, rubbery goop oobleck, rice and ice, squishy bags and more will keep campers busy this week. It will be a sensory bonanza!

Bet Session: - Monday, June 17 - Friday, July 12 (No camp June 19, July 4 & 5)

Buggin' Out! Ladybugs, beetles, and bees, oh my! To a preschooler, all crawly things are creepy and cool at the same time! We will use our magnifying glasses and zoomscope to learn all about bugs and insects.

Heads Up! Ever wonder how airplanes fly or how a hot air balloon stays in the sky? Wonder no more! We will make and fly kites and discover anything else that is up in the air.

Stars and Stripes! We will decorate and have our annual 4th of July celebration "Camp Mishpacha" style! Come dressed in red, white and blue on Wednesday, July 3rd for the parade!

Five Senses in Five Days! Sight, smell, touch, hearing and taste. The five senses help children explore the world and make sense of what's around them. We have activities, projects, snacks books and more to help children learn all about the five senses!

Gimel Session: Monday, July 15 - Friday, August 9

Boxes, boxes, boxes! Put your creative thinking caps on and begin constructing! We will be making box forts, cardboard boats, box cars and anything else we can imagine. We will use our fine motor skills to create and our large motor skills to pretend!

Hawaiian Hullabaloo! Leis, grass skirts and Hawaiian shirts are required. Get ready for volcanoes, beach volleyball and surfing. Aloha!

Olympics – Camp Mishpacha 2024! Come join the magic of the Olympics through playful activities that foster teamwork, creativity, and motor skills development.

What Day Is It? Movie Day? Bike Day? Wet & Wild Day? Game Day? Camping Out? These are some Camp Mishpacha favorites all in one week!

Dalet Session: Monday, August 12 - Wednesday, August 21

State Fair! Welcome to Camp Mishpacha on a stick, where the spirit of the Fair comes alive in a unique camp experience. Get ready for carnival games, exploring farm animals, art projects, delicious snacks, lively entertainment and more!

Become a Lab Rat! Put your goggles and lab coats on and get ready to do some experiments to learn about the senses, insects, colors, magnets and more! Children will be "hands on" and will never hear the words "DO NOT TOUCH".

The Toddler Camp program at Camp Mishpacha gives toddlers an introduction to day camp in a secure, fun and active Jewish environment.

Toddler Camp Themes

- Friendship
- Fun with Bugs
- Fun with Birds
- Stars and Stripes
- Fun with Sea Creatures
- Fun with Nature
- Fun at the Beach
- Fun with Camping
- Fun with the Olympics
- Fun with Water

Our emphasis is on hands-on messy fun in the sun. We do art and sensory activities every day as well as singing, stories and circle time. During water play, our younger campers will enjoy running through our toddler-sized sprinklers, sailing boats and splashing water in our many water tables. Each week we celebrate Shabbat at the flag circle and braid yummy challah to take home!
